**Ocean City** Jul 28 2022 Nestled along the New Jersey coastline and built to be one of the original seaside tourist destinations, Ocean City still sets the standard for resort living along the mid-Atlantic. What was once a whale-processing center in the 1700s emerged as a destination for sun and fun by drawing the biggest names and the classic American families of the early twentieth century. **The Factory Owner & the Convict** Apr 24 2022 William E. Correll (Life Treatment Center) "This book describes the way alcoholics actually think better than anything I have ever read." The world of the good old-timers of the early Alcoholics Anonymous movement comes alive in this book. It tells the interlocking

stories of seven people from diverse backgrounds--men, women, black, white, wealthy, poor--who lived and taught the A.A. program with such clarity and spiritual depth, that people came from miles away to sit at their feet and be taught by them. This account was originally written for the local intergroups, to tell how A.A. began during the 1940's and 50's in the cities and towns along the St. Joseph river, as it wound its way through Indiana and Michigan to empty into the Great Lakes. But then all across the country, people struggling with alcoholism and addiction began asking for copies, and psychotherapists and counselors too. It spoke to the heart, they said. It made the twelve step program come alive and showed how it really worked. And above all, they reported, they had found that the words of these men and women were filled with a kind of spiritual wisdom and deep compassion which had the power to heal the soul. So this new edition of The Factory Owner & the Convict has now been prepared, with the last half now printed as a separate volume entitled The St. Louis Gambler & the Railroad Man.

**Tennessee Women** Jan 22 2022 Including suffragists, civil rights activists, and movers and shakers in politics and in the music industries of Nashville and Memphis, as well as many other notables, this collective portrait of Tennessee women offers new perspectives and insights into their dreams, their struggles, and their times. As rich, diverse, and wide-ranging as the topography of the state, this book will interest scholars, general readers, and students of southern history, women's history, and Tennessee history. Tennessee Women: Their Lives and Times shifts the historical lens from the more traditional view of men's roles to place women and their experiences at center stage in the historical drama. The eighteen biographical essays, written by leading historians of women, illuminate the lives of familiar figures like reformer Frances Wright, blueswoman Alberta Hunter, and the Grand Ole Opry's Minnie Pearl (Sarah Colley Cannon) and less-well-known characters like the Cherokee Beloved Woman Nan-ye-hi (Nancy Ward), antebellum free black woman Milly Swan Price, and environmentalist Doris Bradshaw. Told against the backdrop of their times, these are the life stories of women who shaped Tennessee's history from the eighteenth-century challenges of western expansion through the nineteenth- and twentieth-century struggles against racial and gender oppression to the twenty-first-century battles with community degradation. Taken as a whole, this collection of women's stories illuminates previously unrevealed historical dimensions that give readers a greater understanding of Tennessee's place within environmental and human rights movements and its role as a generator of phenomenal cultural life.
