Hardened - A Vegas Nights Novella Nov 01 2022 BOOK 1
Las Vegas. Sin City. Heidi stepped off that plane ready to re-invent herself. Ready to delve into the glitz, glamour, and fantastical unreality which defines the mantra, "What happens in Vegas, stays in Vegas." What she wasn't ready for was Aedan. Billionaire playboy. Supermodels dripping down his well-muscled body. He seemed to have it all. But for some reason he kept appearing where she least

expected. And he made her feel a way she swore she never would again. Like she could trust him. Until the dark revelation that threatens to destroy her ... Half of all proceeds of this novella benefit battered women's shelters. Hardened is the first novella in the Vegas Nights series. Due to the strong sexual content and adult situations, this book is recommended for readers aged 17+. Vegas is a spectacular place. I've been there many times. It's a world of exploring exotic fantasy and releasing

submerged desires. It boasts gorgeous, jaw-dropping artwork and bass-pounding nightclubs. But Vegas is also a place with its dark side. Many are lured in by the bright lights and become lost in the shadows. One only has to look at the beggars lining the bridges, or the homeless found only blocks away from the shine of the strip, to see what can happen when gambling, drugs, drinking, and other vices run their course unchecked.

friends, Cuban food, rose-gardening, and boys – way too many boys. Her friends and parents make fun of her endless stream of crushes, but Ophelia is a romantic at heart. She couldn't change, even if she wanted to. So when she finds herself thinking more about cute, quiet Talia Sanchez than the loss of a perfect prom with her ex-boyfriend, seeds of doubt take root in Ophelia's firm image of herself. Add to that the impending end of high school and the fracturing of her once-solid friend group, and things are spiraling a little out of control. But the course of love - and sexuality - never did run smooth. As her secrets begin to unravel, Ophelia must

make a choice between clinging to the fantasy version of herself she's always imagined or upending everyone's expectations to rediscover who she really is, after all.

The classic tales of William

Shakespeare are often as packed with gore and corpses as the scariest slasher flick -- and can spawn equally gruesome sequels.... Football star Cameron Dean is genuine campus royalty at Globe University, but his life is more of a nightmare than a dream. Not only was his dad murdered under mysterious circumstances, but Cameron suspects that his mom and aunt may have had something to do with it! When he unexpectedly inherits a creepy old castle in Denmark, Cameron tries to put his worries behind him, inviting his girlfriend and college buddies along on an overseas trip to check out the gloomy fortress. some serious partying done. Too bad nobody counted on the ghost of a drowned girl rising from her watery grave with vengeance on her mind! Now the only question is: to die or not to die?

The Living Age Feb 09 2021
Hamlet Aug 30 2022 Hamlet, probably composed between 1599 and 1601, takes place in Denmark and tells how Prince Hamlet carries out his revenge on his uncle Claudius who murdered Hamlet's father, the king, and holds the usurped crown as well as nuptials with Gertrude, the mother of Hamlet. The play is vividly traced around insanity (both real and feigned) and the course from deep pain to

inordinate anger. It also explores the themes of betrayal, revenge, incest and moral corruption.

BOOK 1 Sonya thought she was
finally free. Her controlling,
fault-finding parents had sold
the family home in St. Louis
and moved down to retire to
Florida. Sonya's life could
begin anew! But instead, she
found herself lonelier than

ever, missing her older brother
who had escaped to California
the moment he'd graduated
from high school. So when her
parents offered to fly her down
to see the new condo and go on
a six-day cruise, Sonya
hesitantly agreed. After all,
how bad could it be being stuck
on a boat with her parents for a
week? Oh. The sole shining
light was the bevy of stunningly
handsome gay men she
tumbled into the care of. They
offered laughter, fun, and
everything she could ever have

around her could have been all
she desired in life. If only it

Sex and Satiric Tragedy in Early Modern England Sep 06 2020

Drawing upon recent scholarship in Renaissance studies regarding notions of the body, political, physical and social, this study examines how the satiric tragedians of the English Renaissance employ the languages of sex - including sexual slander, titillation, insinuation and obscenity - in the service of satiric aggression. There is a close association between the genre of satire and sexually descriptive language in the period, author Gabriel Rieger

argues, particularly in the ways in which both the genre and the languages embody systems of oppositions. In exploring the various purposes which sexually descriptive language serves for the satiric tragedian, Rieger reviews a broad range of texts, ancient, Renaissance, and contemporary, by satiric tragedians, moralists, medical writers and critics, paying particular attention to the works of William Shakespeare, Thomas Middleton and John Webster
