What Every Driver Must Know (Michigan, June 2021) Jul 17 2021 Driving is a privilege and not a right. Drivers must drive responsibly and safely, obey traffic laws, and never drink and drive. Finally, make sure that you and your passengers are properly buckled up - it's the law! Today's vehicles are loaded with technology that was unheard of even a decade ago. Systems that warn when you are drifting from your lane, assist you in parallel parking, automatically brake in emergency situations and provide 360 degrees of vision around the vehicle via a camera are becoming standard, even on moderately priced vehicles. As remarkable as these leaps in automotive technology are, the truth is that the most important safety feature in any vehicle remains you as the driver. Therefore, it is to your benefit to continue improving and expanding your knowledge of traffic laws and safe driving practices. Driving is a privilege. Once you have been issued a driver's license, you have the responsibility to continually demonstrate the skill and knowledge to drive safely. Whether you have been behind the wheel for decades or are just starting to venture out, driving is a discipline that requires judgment, knowledge, physical and mental self-awareness, and practice. "What Every Driver Must Know" is an excellent resource for assisting you on this lifelong journey.
